

BLDC Air Circulator /Wall Mount Fan /Pedestal Fan

Features:

Performance:

- High Airflow
- Extremely Low Sound
- Aesthetically Designed with Modern Styling
- Aerodynamically Designed Blades

Durability:

- Powder coating for long life

Motor:

- Energy Efficient BLDC MOTOR Efficiency > IE3

Safety:

- Sturdy mesh guard with finger protection grid size.
- Secondary Support GI Wire
- Robust Mounting

Warranty:

- 1 Year

About us

Ecoair Cooling Systems has been incorporated in 2011 and is a leading Manufacturer & Supplier of Evaporative Air Coolers, HVLS Fans, Exhaust Fans, In-line Duct Fans, Recessed Ceiling Fans, Commercial Air Purifiers etc.

Ecoair has an extremely prestigious customer base supported across India through a strong partner network on multiple projects and locations. Ecoair product strategy is driven by Customer requirements, Safety, Quality, Reliability and Durability and are CE Certified. Ecoair Products offer the best technology at the most competitive pricing with assured service support and spares.

Technical Specification

PERFORMANCE FEATURES
